Captain's Responsibilities

1. It is the captain's responsibility to familiarize each team member with the rules of tennis. There's no need to read all 984 pages of Friend at Court, just make sure you know which way to hold the racquet.
2. All captains will be given a scorecard when they check in at their facility.

Match Day

1. All matches are a 6-game pro set, including a 5 minute warm-up. We encourage you to warm up in your preferred method. This could mean stretching, serving, applying a fresh layer of makeup, slamming cold ones, yodeling, jumping jacks, or texting.
2. Match default time is 15 minutes after the scheduled start time. If a player/team is up to 5 minutes late, they are down 1 game. If a player/team is 5 – 10 minutes late, they are down 2 games. If a player/team is 10-15 minutes late, they are down 3 games. Anything past 15 minutes is a default for that team. Your tardiness will cost you fun. Be fun and show up on time.
3. Captains will be given two cans of balls when they check in at the facility. You now have enough money for happy hour.
4. In the case of inclement weather, we will try our best to move indoors. Or feel free to play in the monsoon, hail, or haboob. You can email us your scores.

Team Match Format

Each team match consists of the following matches:

- 1 women's singles
- 1 men's singles
- 1 women's doubles
- 1 men's doubles
- 1 mixed doubles

Women's and men's singles will be played first, women's and men's doubles will be played second, and mixed doubles will be played third. No excuses. Play like a champion.

There is a 5 minute warm up included in your match time. Once we call start, your match must begin.

Matches are 1, 6-game pro-set. Each team gets a point for each individual match that is won. The team with the most points at the end of the team match wins.

Almost Unlimited Subs. You may substitute in players at any time during the match. For instance, if you're in the middle of your match and your partner just isn't cutting it, kick him/her to the curb. You have a match to win. Remember: substitutions can be made at anytime. High-fives are encouraged during this time. However, the player that subbed out can not sub back in for any reason.

Each team match will be given 1-2 courts to play all matches. We encourage both teams to be on the court cheering on their teammates. One big happy family. Please refrain from getting into any fights. We don't need any blood on the courts, plus our insurance will not cover you.
