How 3V3 Works

- Singles. Doubles. Simultaneously (hence, 3V3).
- 1 match. 2 courts. 3 players. Substitutes wait in between courts.
- Players can "tag" in and out between games.
- Kids play singles and doubles against multiple opponents.
- Total games won decides who wins the team match.

Team Composition

- Minimum of 3 players for each match
- Coed teams; recommended to have 4 or more players per team for substitution
- Players must be able to serve, rally and score

Match/Scoring Format

- 20 minute warm up followed by 1-hour and 10-minute timed match
- No-add game format using the 15, 30, 40 scoring
- Each court will have a continuous running game total (no definitive sets). For instance, a court total can be 11-4. At conclusion of match all games are tabulated to determine total.

General Philosophy/Miscellaneous

- No limit to how many times a player can sub in and out of any particular court
- Somewhat equal playing time is highly recommended for all teams
- Coaching of players on bench and during change-over is allowed
- All extra players must be on designated court benches (obviously showing good sportsmanship) just like World Team Tennis, Davis Cup/Fed Cup
